Disclosure

Insured's Duty of Disclosure

Before the Insured enters into a contract of general insurance with CGU, the **Insured** has a duty, under the Insurance Contracts Act 1984 (Cth), to disclose to CGU every matter the **Insured** knows, or could reasonably be expected to know, is relevant to CGU's decision whether to accept the risk of insurance and, if so, on what terms. The **Insured** has the same duty to disclose those matters to the insurer before the **Insured** renews, extends, varies or reinstates a contract of general insurance.

The **Insured's** duty however does not require disclosure of a matter:

- + that diminishes the risk to be undertaken by CGU;
- + that is of common knowledge;
- + that CGU knows or, in the ordinary course of its business ought to know;
- + as to which compliance with the **Insured's** duty is waived by CGU.

Non-Disclosure

If the **Insured** fails to comply with the duty of disclosure, CGU may be entitled to reduce its liability under the contract in respect of a claim or may cancel the **policy**. 360 Commercial will make payments to the **Insured** or to others with the authority of the **Insured** to settle **covered** claims. For **covered** claims **360 Commercial** will also make periodic progress payments for amounts agreed with the **Insured**.

In the event loss or damage (at other than unnamed locations) exceeds 10% of the location **limit** **360 Commercial** will only be liable for the proportion of loss or damage that the values declared by the **insured** bear to 80% of the amount that would be required to allow **360 Commercial** to fully indemnify the **Insured** in accordance with How Claims are Settled (other than for the Building and Safety Laws section).

- + **finished stock** for which the **Insured** is responsible and for which a Contract of Sale for such stock is cancelled by reason of a **covered loss** will be settled based on the price for such stock specified in the Contract of Sale.
- + **contents** settlements will also include the cost of taking inventory and/or identifying damaged **stock** including the cost of replacing labels, capsules, wrappers or containers on damaged **stock** and restocking shelves.

The **Insured** has two options when the **Insured** or the owner of any **stock** in the **Insured's** care, custody or control does not want to sell damaged **stock** under the **Insured's** or owner's brand or label.

The **Insured** may remove the brand or label and either:

- + re-label the **stock** to comply with the law; or
- + label the damaged **stock** as "salvage" but in doing so must cause no further damage to the stock.

In either case, **360 Commercial** will pay the difference between the salvage value of the damaged **stock** with the brand or label attached and the salvage value of the damaged **stock** with the brand or label removed.

- + **Contents of others** will be settled based on the cost of reinstatement.

- + If restoration is not possible settlement will be based on the market value at the time of loss.

The **Insured's** obligations under 'How to Make a Claim' and 'What to do When a Loss Occurs' in Asset Protection apply to Business Income Protection.

The **Insured** must exercise due diligence to minimise the interruption to the business by implementing a business rehabilitation plan as required by **360 Commercial**.

Should the **Insured** fail to promptly take action to rehabilitate the business, the amount of any claim settlement will be reduced taking into account additional loss of income and or expense directly attributable to the delay.

How Claims Are Settled

The **Insured** may select from the following Settlement Options where the **period of recovery** is estimated and agreed by **360 Commercial** to be within the simplified settlement period.

Once a Settlement Option has been selected, that Settlement Option cannot be changed without **360 Commercial's** consent.

Option 1 – Simplified Settlement

Gross Profit

360 Commercial will settle a claim for loss of **gross profit** up to the **gross profit limit** based on:

- + the **ratio of gross profit to income** applied to the **reduction in trended income** during the simplified settlement period;
- plus
- + expenses incurred for the purpose of diminishing a reduction in **gross profit** but for not more than the reduction thereby avoided.

Claims for loss of **gross profit** under Option 1 – Simplified Settlement will not be adjusted for expense savings.

Expenses

360 Commercial will also pay for:

- + **business recovery expenses**; and
- + **claims preparation expenses**;

up to the Income Protection expense **limit**.

Progress Payments

Payment for **covered loss** and expense will be made weekly, subject to the supply of relevant information.

Claims will be settled under the Option 2 – Comprehensive Settlement if they extend beyond the simplified settlement period.

Any claim payments made under the Option 1 – Simplified Settlement will be offset against the final settlement of the claim under Option 2 – Comprehensive Settlement.

Option 2 – Comprehensive Settlement

This Option is for claims where the **Insured** has not selected Option 1 – Simplified Settlement Option or where the **period of recovery** is estimated to or has extended beyond the simplified settlement period.

Gross Profit

360 Commercial will settle a claim for loss of **gross profit** up to the **gross profit limit** based on:

- + the amount by which the actual **gross profit** achieved by the **Insured** falls short of the **trended gross profit** during the **period of recovery**;
plus
- + expenses necessarily incurred for the purpose of diminishing a reduction in **gross profit** but for not more than the reduction thereby avoided.

Claims for loss of **gross profit** under Option 2 – Comprehensive Settlement will be adjusted for expense savings during the **period of recovery**.

Expenses

360 Commercial will also pay for:

- + **business recovery expenses**; and
- + **claims preparation expenses**,

up to the Income Protection expense **limit**.

Progress Payments

- + loss of **gross profit** based on the **ratio of gross profit to income**.

resulting from **covered** loss or damage but not for any liability the **Insured** may incur for exemplary, punitive or aggravated damages but subject to the relevant **limits** not being exceeded.

Departmental trading

If the business is conducted in departments the independent trading results of which are ascertainable, the **cover** provided by Income Protection will apply proportionally to each department affected by the interruption to the **Insured's business**.

Reduced margin

If **income** is maintained at a reduced rate of **gross profit**, allowance is to be made in the claim settlement so that the amount payable for loss of **gross profit** is commensurate with the results that would have been achieved in normal trading had the interruption to the **Insured's business** not occurred.

Accounts Receivable

360 Commercial will pay for loss of **accounts receivable** based on the average monthly amount of receivables for the 12 months immediately preceding the month in which the loss occurred (adjusted for any demonstrated variances in the amount of receivables for the month in which the loss occurred) less:

- + any amount the **Insured** is able to re-establish or collect; and

360 Commercial may at its own expense make any investigation it deems necessary. The **Insured** must permit **360 Commercial** to make such investigation and furnish any explanation and evidence and other assistance that may be reasonably required to investigate, examine and substantiate the claim.

How Claims Are Settled

Money will be valued at the amount recorded by the **Insured** or the amount corroborated by reasonable estimates if lost prior to being counted and recorded by the **Insured**.

If the **Insured** sustains a **covered** loss which exceeds the **limits**, the **Insured** is entitled to all recoveries of such loss until fully reimbursed less the actual costs of recovery and any sum paid by **360 Commercial** in respect of such loss. Any sum recovered after such reimbursement must be paid to **360 Commercial**.

Discovery Of Loss

The liability of **360 Commercial** for loss sustained prior to the **policy period** is limited to the amount which would have been recoverable under any insurance in force at the time the loss was sustained, provided that:
