

Candidates Campaigning and Canvassing for Votes - ASFM Election Guidelines

Campaigning at the Market:

- All candidates may have copies of their own candidate profile as submitted with their nomination at their stalls or tables. Candidates can campaign for themselves only and not for other individuals or groups. Printed material promoting other members (or groups of individuals) who are standing for election are not to be distributed or displayed by any other stallholders, market members or their representatives.
- Candidates can campaign from their stalls during market opening hours at the Showground Farmers' Market on **Sunday 29th September and Sunday 6th October 2019**. Stallholder candidates must remain within the boundary of their stall while campaigning to avoid impacting on other stallholders or market customers.
- If a candidate is not a stallholder they may secure one (only) small café table at the Market and campaign for votes from behind this table. This café table will be set up immediately adjacent to the Information Stand.
- Candidates will be provided an opportunity to speak at an election forum to be held at the Adelaide Showground Farmers' Market after the close of the market from 1:30pm on **Sunday 6th October 2019** at the market kitchen. Candidates will be allowed 5 minutes each to address the audience to outline why they are standing for election and what they will bring to the ASFM committee. A maximum of 20 minutes total will be provided at the end of the forum for questions and answers to all candidates.
- Candidates are to limit their public campaigning by the methods detailed above and at the times and dates outlined.

Compliance:

- All stallholder candidates must abide by ASFM Stallholder Rules and Responsibilities and code of conduct.
- Failure to comply with these guidelines may result in candidates being ineligible to stand for election at the AGM.
