We will carry a small quantity in the info stand but if you would like a box, please place your order with the info stand staff on a Sunday for collection the following Sunday. **Payment must be made at time of order placement.**

### Vehicle access and DANGEROUS BEHAVIOUR

A reminder that stallholders vehicles **MUST NOT** be driven through the market grounds prior to the close of the market when the bell rings at 12.30pm Sundays. Customers are still on site shopping and this poses a serious breach of our safety rules and puts customers at risk. Moving vehicles are prohibited in the market area between 8.15am and 12.30pm.

### The activity restrictions remain at LEVEL ONE

- It remains mandatory to wear masks inside the pavilion for stallholders and customers. (Please make sure if you pull your mask down to drink or eat, you're well away (at least 1.5ms) from the serving counter and customers.)
- It is discretionary if you wish to wear a mask outside, however please still maintain your 1.5m social distancing
- Ask customers to step outside the pavilion to consume food or beverages. There is no eating or drinking allowed inside the pavilion.
- Thank you all for continuing to work with us to keep the market a safe place to shop
