# MARKET MATTERS

Issue: **708** Market Date: 22 August 2021

### REMINDER - The market is in our old Leader St location this week, 22 August

Don't forget that we are in the original Leader St location this Sunday, 22 August. The market will be a full indoor and outdoor market. Parking for stallholders is along the Western Boulevard only. Customer carparking is limited so please make sure you and your staff do not park in the customer carparks. Here is a parking map to help. Here is the outdoor [stallholders map](#).

### BACK WE GO

We are bumping back to the Stirling Angas Pavilion this Sunday 22 August, immediately after the market closes. This will be almost an exact reverse of what we did two weeks ago.

- All **inside stallholders** are required to move their stalls immediately following the market and to set up their marquees and fridge/freezers in Stirling Angas Pavilion and move all other equipment to their Stirling Angas Pavilion site before leaving. Please pitch in and help your neighbour if needs be.
- **Outside stallholders** that store equipment inside the pavilion will be required to move their equipment to Stirling Angas Pavilion before leaving the market on that same day. Please plan your time to make sure you're available to do so.
- **The Leader St Pavilion** must be completely vacated on this day.

### DISCOUNTED Site Rates for Sunday 5th and 12th September

In light of the pop-up markets at The Orphanage being cancelled, we are now offering the same planned 40% discounted stall fees to any stallholder/caterer that attends the Stirling Angas/Kingsway market on Sunday 5th and 12th September. Please advise us ASAP if you are planning to attend either or both of those days if you haven't already done so.

### The activity restrictions remain at LEVEL ONE

- It remains mandatory to wear masks inside the pavilion for stallholders and customers. (Please make sure if you pull your mask down to drink or eat, you're well away (at least 1.5ms) from the serving counter and customers.)
- It is discretionary if you wish to wear a mask outside, however please still maintain your 1.5m social distancing
- Ask customers to step outside the pavilion to consume food or beverages.
