[COVID Update](#)

[Wearing Masks](#)

We are now getting considerable feedback from customers complaining about stallholders not wearing masks and the fact that they will now only be shopping at stalls who practice good Covid prevention protocols. We remind everyone that under the current directives that wearing masks inside the pavilion is mandatory unless you have a valid health exemption as this is a shared public space. Wearing masks outside is highly recommended and if you are handling food even more important.

[NO Parking](#)

There is no parking in front of the northern customer entrance near the BIG Verandah. Stallholders are required to unload their vehicles and then park in the stallholder carpark on the southern side of the market. Please make sure your staff are also aware of the allocated parking for stallholders. Thank you.

[Fruit Fly Status](#)

There has been a new detection of Queensland Fruit fly in the Ridleyton area however this has no impact on procedures at the market and the restrictions imposed on display (ie netting etc) at the market are still due to be lifted on 22 December 2021 in time for the twilight market. There will remain some restrictions on movement of product but you need to liaise direct with PIRSA re those requirements.

Outbreak	Reinstatement Date
Port Augusta Mediterranean fruit fly outbreak	12 December 2021
Metropolitan Adelaide Mediterranean fruit fly outbreaks	22 December 2021
Ridleyton Queensland fruit fly outbreak	22 February 2022
Riverland Queensland fruit fly outbreaks	27 December 2021

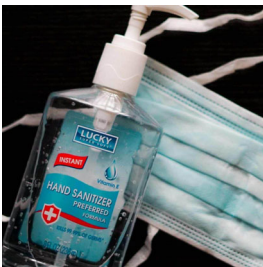

Website Page Update:

In preparation for 2022, Roz our Marketing and Communication Coordinator will be contacting all our market stallholders and requesting that you review your existing ASFM website listing including content and imagery. Furthermore she is keen to receive information on anything “new” including new products or lines, new season fruit & veg, new photos (of a high quality) taken on farms and ideally with people in them. To discuss more contact Roz: rbecker@adelaidefarmersmarket.com.au

Christmas Party

Don't forget to RSVP for those of you and your staff that are coming to the Christmas Party scheduled for 1pm on December 19th. It's important we know who's coming for catering etc. Please email admin@adelaidefarmersmarket.com.au asap so we can get our goods ordered.

Important COVID Update

With the new Test, Trace, Isolate and Quarantine (TTIQ) model being introduced in South Australia and the borders now being opened, it is now more important than ever that we follow good Covid protocols. QR Check in is required on entry to the market. Wearing of masks in the pavilion is **Mandatory** for all unless a valid exemption is held. **Eating & drinking is NOT permitted** inside the pavilion to prevent masks being removed. We ask all stalls serving food or beverages to remind customers of the requirement to leave the pavilion before their purchases are consumed. Wearing of masks outside is highly recommended. **ALL** stallholders are required to have hand sanitiser available and within easy reach for customer use at all times.
