MARKET MATTERS

Issue: 681 Market Date: 14 February 2021

Dear Stallholders,

Happy Valentine's Day. Wishing you all the sweetest, happiest day EVER!

Bump Out after the market this Sunday. Please do not leave until all of your equipment has been removed from the Stirling Angas Pavilion.

Happy Trading

IMPORTANT - THIS SUNDAY 14 Feb: For a smooth bump out note the following:

- So nothing gets misplaced - please clearly put your business name on everything going into storage.
- **Stallholders:** Large items including fridges, cupboards, trestles, chairs, weights and marquees/tents can be stored in the Alpaca Pavilion located opposite the stallholder car park on the Western Boulevard.
- **Caterers:** All large items can be stored into The Dairy Food Pavilion opposite the farmers market located along the Western Boulevard
- All smaller items including lighting, signage, food packaging and tills should be taken with you.
- BYO boxes, bags, packing tape, sharpies and trolleys

Please use this opportunity to take your marquee home and clean it.

Note: For those choosing to leave equipment on site, the ASFM is not liable for any loss or damage that may be incurred.

REMEMBER: Vehicle Access via Leader Street

Sundays: Market stallholders and their staff can access the Leader Street boom gates until 8.15 am & again for departure from 1.00pm. Between these hours, the gate across Southern Boulevard between the Beef Cattle Pavilion and the toilets will be closed.

Western Boulevard will be closed at the northern end of the Market (unless the area south of the Stirling Angus is required for parking on high demand days).

The RA&HS will be staffing the Leader Street Gate from 8.00am until 1.00 pm for the next five Sundays to inform Farmers' Market shoppers of the change.

Weekdays: There will be no public vehicle access from Leader Street at all times, ONLY pedestrian access will be maintained. Farmers' market stallholders, staff and couriers who require access to the Stirling Angus Pavilion midweek, are exempt and can continue to enter via Leader Street boom gates.

This change is to address ongoing safety issues with pedestrians mixing with vehicles entering through Leader Street.

NOTE: The Rose Terrace car park remains strictly reserved for customers. Stallholders are not permitted to park in the Rose Terrace Car Park while the market is open for trade. Please park in the designated stallholder car parking area directly behind Tsimiklis' stall.

Fruit Fly Procedure

Until further notice, Primary Industries and Regions of South Australia (PIRSA) asks that all stallholders keep their host produce covered with mosquito netting or packaged in bags/punnets (with no holes) whilst at the farmers' market.

PIRSA has been in contact and said that they will be conducting spot checks to follow up on compliance and answer any questions you may have.
