Dear Stallholders,

- **Annual Test and Tag is now Complete**

Stallholders who had any equipment issues or stallholders who have chosen to undertake their own test and tag will be followed up with this Sunday 18th April by Operations Manger, Geraldine.

- **Store your Equipment**

OUTSIDE stallholders - if you know you won't be attending the following Sunday's market then you'll need to store your equipment in the Dairy pavilion (opposite the CWA building on Western Blvd).

Produce/Product pricing

Stallholders are reminded that each product must have 2 prices displayed.

- 1: Regular non-member price and**
- 2: Member's price (showing a 10% discount off non-member price)**

This is in line with the current stallholder Rules & Responsibilities ref#2.2.10. *On sighting an ASFM membership card, the Stallholder, or person operating the Stall, must provide to members of ASFM at least a 10% discount off the full-price of products. (Stallholders are entitled to ask any member to produce their current membership card before applying this discount). The Stallholder must clearly display both the full-price and the discounted members' price for all products sold at the Stall.*

To avoid any further negative feedback from customers about his issue please make sure that you have two prices visible at your stall.

Fruit Fly Continues to be a Threat

Fruit Fly is still active and restrictions and procedures are still in place for stallholders who sell host fruit and fruiting vegetables that are exposed to the environment (i.e.on display). Please continue to cover your produce with mosquito netting or bring it to the market prepacked.
