[GOOD NEWS for stallholders at Twilight Market.](#)

The ASFM Committee met this week and have decided to pass on a 50% reduction in stall fees for those stallholders attending the Twilight Market. The reduction will apply to that nights attendance only. You will see a credit note come though after attendance at the market before January fees are due.

[Cool Room not available](#)

Unfortunately our dear old cool room had stopped working. We have organised to get it repaired but the parts are coming from interstate so it will be unavailable until further notice. We will endeavour to get it up and running as soon as possible. Apologies to those who may be impacted.

Power Maintenance Reminder

If you are NOT attending the Twilight Market and are an indoor stall, ALL your fridges and freezers must be emptied, switched off and unplugged THIS SUNDAY as the RAHS are doing their High Voltage Power Maintenance between Christmas and New Year. Those attending the Twilight Market need to do the same on 23 December before you leave as the market office will be closed on Friday 24 December.

Stallholder Car Parking Passes

2022 Car Parking passes will be issued to stallholders who provide their vehicle details via this survey [link](#). We need your vehicle details for our car parking register. Please click the link [here](#) to complete the survey. If you have staff who regularly work at the market who also require a car parking pass please forward the link to them. 2022 Membership passes will be issued from this Sunday for those who have paid.

Very SAD News

We are extremely saddened to share the news that one of our market family, Kane Van Diermen of Riverside Farms passed away last Sunday morning. He was greatly loved by his customers and his fellow stallholders and our hearts go out to his partner Richard and to Kane's family. May he be forever remembered as one of our respected and loved market family. RIP Kane.

Santa will be at the Market

This Sunday, the real Santa will be at the market from 9.30am - 11.30am under the big Farmers Verandah outside the western end of the Pavilion. Santa will be sitting in a farm scene (well as close as we can get in suburbia without spending much money). Customers can take photos of their children or family with Santa (social distanced of course). Volunteers and staff will be on hand to help. There will be 20 bales of good quality, pest free, barley hay available to purchase at a ridiculously low price at the end of the market Christmas party if anyone is interested. Email crobertson@adelaidefarmersmarket.com.au if you would like to purchase any..

Christmas Party

The stallholder and volunteer Christmas Party is on this Sunday starting at 1pm under the Farmers' Verandah at the eastern end of the pavilion. Come and join us for some pre Christmas comradery. Our market Santa will be joining us for photo opportunities. Hopefully you have rsvp'd.

Gossip

Over the last week we have been inundated with social media messages and emails pertaining to a rumour that allegedly was started at the market by stallholder/s. Sadly this rumour has spread and caused the market to come into disrepute. I can clarify that there are **NO PLANS** for vaccinations to become mandatory for stallholders and/or customers. Gossip is dangerous when it doesn't represent the truth and just wastes our valuable time having to respond to communication about misinformation and trying to dispel angst amongst our community. Please consider the outcome before sharing your opinion with customers. If it has the potential to adversely affect another stallholders earning ability then **just don't do it.**

COVID Update

QR Check in is required on entry to the market. Wearing of masks in the pavilion is **Mandatory** for all unless a valid exemption is held. **Eating & drinking is NOT permitted** inside the pavilion to prevent masks being removed. We ask all stalls serving food or beverages to remind customers of the requirement to leave the pavilion before their purchases are consumed. Wearing of masks outside is highly recommended. **ALL** stallholders are required to have hand sanitiser available and within easy reach for customer use at all times.
