info@adelaidefarmersmarket.com.au (checked all days)

REMINDER - Members Discount

We are still receiving customer complaints re stallholders not giving a genuine 10% discount to members. **Please note: Providing the discount**

to members is a requirement of your right to trade at the ASFM. Both the members price and the non members price must be displayed on all items for sale as per the Stallholders Rules & Responsibilities. We will be commencing random checks on this situation.

[REMINDER - EASTER SUNDAY 17 April](#)

Will you be attending the Easter Sunday market on Sunday 17th April? And if you are, will you be running any member specials we can promote. Either way you need to complete the 'Stallholders Survey' [here](#), so we know. The sooner you can do this, the sooner we can get our promotions ready. Our easter Sunday will be a great day with an Easter Scavenger Hunt for kids that all stallholders can be part of. Don't forget to complete the survey ASAP.

[PRODUCE Weights](#)

If you advertise a pre packaged product to be a certain net weight, then the produce within the container should be that weight or more. **NOT LESS. Selling underweight produce brings disrepute to the market and is a serious matter.** Care must be taken when weighing pre packed produce. All stallholders should have their scales regularly calibrated and if you are transporting them each week to the market a quick calibration before the market using an authorised weight or pre weighed 'can' is a great idea. We will be commencing random checks of this situation following numerous customer complaints over the last few weeks.

[COVID Update](#)

Wearing of masks in the pavilion is **Mandatory** for all unless a valid health exemption is held. **Eating & drinking is NOT permitted** inside the pavilion to prevent masks being removed. We ask all stalls serving food or beverages to remind customers of the requirement to leave the pavilion before their purchases are consumed. Wearing of masks outside is highly recommended. **ALL** stallholders are required to have hand sanitiser available and within easy reach for customer use at all times.
