[COVID Update](#)

The ASFM Management team and Committee would like to wish everyone a very Merry Christmas.

[TWILIGHT Market](#)

Set up will be from 1pm for stallholders. Please see the attached [map](#) as a few outside stalls have been moved for the night to accommodate the number of stallholders whilst keeping the market vibrant and taking into account social distancing for a really busy night. If your stall has changed location please call Jacqui (0419 105 228) on arrival to be directed to the correct position. Map [HERE](#)

Power OFF

Immediately following the Twilight Market if you are an indoor stall, ALL your fridges and freezers must be emptied, switched off and unplugged as the RAHS are doing their High Voltage Power Maintenance between Christmas and New Year. The market office will be closed on Friday 24 December until Thursday December 30th inclusive and there will be no access to the market during this time. All deliveries for the January 2nd market can only be made on Friday 31 December from 9am to 5pm.

All NETS are off.

As of 22 December 2021, market stallholders will no longer need to cover their produce whilst on display at the market and produce can be left out uncovered for longer than 60 minutes. Most produce can now move freely within the yellow suspension area and PIRSA inspectors will no longer be conducting weekend visits to ensure produce security. Due to seasonal conditions with summer being a prime time for fruit fly activity, detections continue from time to time. Please remember to check the [outbreak map](#) on the fruit fly website to see if you are in a red, yellow or green area and the associated movement restrictions that apply.
