# MARKET MATTERS

**Issue: 675** Market Date: 3 Jan 2021

Dear Stallholders,

Welcome to the first market of the new year! We hope you all had a happy festive season and that you managed to fit in a little rest and relaxation.

Thank you to all the stallholders who took part last Wednesday, 23 December, and helped us deliver a very successful twilight market. It was jam-packed with enthusiastic customers who also stopped to enjoy some live music, a celebratory glass and delicious street food. A wonderful night for all.

Happy Trading

#### **Car Parking Passes**

2021 car parking passes will be issued once you have paid your membership. Due to our limited number of car parking passes only staff who attend the market regularly can be issued with a parking pass. They should come to the Information Stand with the following details:

- Make & Model
- Colour
- Registration Plate

If you pay your site fees each Sunday at the market please renew your 2021 membership at the Information Stand (\$75) this Sunday, if you have not done so already. Holding a current membership is a crucial part of being able to continue trading at the farmers' market.

**Your Favourite Recipes wanted!**

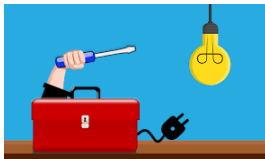

Catherine is looking for stallholders' favourite recipes (using market produce) to create simple and delicious dishes that customers can easily recreate at home. If you have a recipe that you would like to share please forward it to Catherine [cwoods@adelaidefarmersmarket.com.au](mailto:cwoods@adelaidefarmersmarket.com.au) along with photo(s) of the finished dish.

### Queensland Fruit Fly Outbreak - Riverland

Queensland fruit fly outbreak was declared in Renmark West on 22 December 2020. Unfortunately this outbreak will have a significant impact on some of our Riverland producers who cannot move fruit out the suspension zone during the peak of their season.

If you have not done so already, producers in the affected area must contact PIRSA regarding additional fruit treatments and fruit movement. Click [here](#) to visit the PIRSA website or you can call 1800 255 556

### Important Dates

- **Electricity will be shut off on Monday 4 and Tuesday 5 Jan due to the High Voltage Maintenance upgrade throughout the Showground precinct. Do not leave anything in your fridges and freezers after the market this Sunday.**
- Consequently, the office will be closed on Tuesday 5 January.
- Deliveries for market day 10 January can be made on 6,7, 8 Jan or before the market on 10 Jan 2021.

If you have any questions or concerns about this information, please don't hesitate to contact Geraldine via email [operations@adelaidefarmersmarket.com.au](mailto:operations@adelaidefarmersmarket.com.au) or 0419 105 228.
