[10 Elves on the MARKET Shelves](#)

This week is 'FIND 10 Elves on the Market Shelves' activity to encourage families to the market. This time kids will be looking for 10 naughty elves that will be hiding in 10 of our stalls.

Placement will be made in the 10 best decorated stalls so time to get your Christmas decorations out and get into the spirit of things for Christmas month at the market. It would be really great to have as many stalls 'Christmasfied' as possible.

Roz will come around and place the elves on the market shelves Sunday morning before the market opens.

[CHANGE to Western Entrance and Info stand location](#)

As from this Sunday, the previous 'customer' entrance to the market on the Western Boulevard will be closed and a new entrance opened on the north facing fence near the western end of the pavilion. The info stand has also moved from outside the South/East door of the pavilion and now has

a new home under the big 'Farmers Verandah'. The new info stand provides a much safer and better organised environment for both staff and volunteers to operate from. The repurposed container has been kindly loaned to us (outside of 'The Royal Show' times) by the RAHS. Relocation of the gate is part of our agreement with the RAHS to minimise pedestrian traffic on the Western Boulevard.

GOOD Hygiene

We have received a number of complaints from customers re stallholders sneezing and not following good hygiene protocols. We are aware that hay fever season is well and truly upon us but its VERY important that you not only follow strict hygiene protocols by washing and sanitising your hands but you are also seen to be following them by the members of the public.

COVID protocols remain the same

QR Check in is required on entry to the market. Wearing of masks in the pavilion is **Mandatory** for all unless a valid exemption is held. **Eating & drinking is NOT permitted** inside the pavilion to prevent masks being removed. We ask all stalls serving food or beverages to remind customers of the requirement to leave the pavilion before their purchases are consumed. Wearing of masks outside is highly recommended. **ALL** stallholders are required to have hand sanitiser available and within easy reach for customer use at all times.

REMINDER

The Adelaide Showground will be undertaking High Voltage Maintenance on Wednesday 29th and Thursday 30 December. This means that all stallholders :

- will need to remove all produce from fridges/freezers offsite following the twilight market on 23 Dec or following the market on 19 December if they are not attending the twilight.
- Deliveries for 2 Jan can only be made on Friday 31 December.

XMAS PARTY - for stallholders and volunteers

The stallholder and volunteer Christmas Party will be held on Sunday 19 December at 1pm. All stallholders, staff and volunteers are welcome. Please RSVP to admin@adelaidefarmersmarket.com.au

MEMBERSHIP

Please continue to promote 2022 membership to your customers and wear the promotional stickers provided each Sunday. The 'Win one of two CLAX Cart' promotion finishes December 14th. Any membership renewed or new goes into the running to win, so it's a great opportunity at the

moment to promote in time for Christmas. Our shoppers love their CLAX carts.
