STOCK JOURNAL

The Stock Journal newspaper gets delivered to us monthly and copies are available at the info stand should anyone wish to come and collect one while stocks last.

EASTER TRAIL

This Sunday we will be running a children's Easter Trail from 9am - 11am through the market. Children will collect their trail questions at the northern outside entrance to the market (near the info stand) and using clues, gather their answers before heading to the finish line to collect their easter treat. So be prepared to see lots of children on the hunt throughout the morning. NB: There will be no eggs hidden in the market. Participation numbers are limited.

EASTER BUNNY

Easter Bunny will be at the market this Sunday to meet and greet families and will be available for photo opportunities. Please make them feel welcome and encourage your shoppers to engage with them. Make sure you get a photo with them that we can use on socials. They might even enjoy a carrot or two.

PRODUCT APPROVAL

A reminder that you can only sell products that you grow or produce yourself and that are **APPROVED** by ASFM Management. To get approval you need to apply at least two - three weeks in advance of you wanting to sell a new product, to allow time for the application to be processed. Please note that selling products that are **NOT** approved may jeopardise your right to trade at the market. All product approval applications forms can be found here:
