**NO PARKING ROSE TCE 24 JULY**

Due to the SPIN OFF event, there will be no parking available in the inner Rose Tce carpark on Sunday. This will affect stallholders who normally unload in that carpark. You will need to unload in the main market area and enter the pavilion via the southern doors. Cars/vans will need to be moved into the stallholder carpark south of the market area asap after unloading. Customers will be advised to enter via Leader St and park along the western circuit and around the arena or enter via Rose Tce and

park in the outer Rose Tce carparks. As always there is **NO STALLHOLDER CARPARKING IN THE ROSE TCE CARPARK.**

---

#### EMERGENCY ACCESS ONLY

Stallholders will **NOT** be able to park on the Northern side of the pavilion. This is an emergency access lane only this Sunday. Stallholders will need to unload whatever stock they need for the day from the southern side of the pavilion and then park in the stallholders carpark on the southern side of the market. Sadly the management team will not be able to supply any staff to watch stalls while more stock is accessed.

#### IMPORTANT - BUMP OUT INFORMATION

Don't forget that we BUMP OUT of the Stirling Angas/Kingsway this Sunday, 24 July and head back to Leader St. Your cooperation and patience this Sunday will help to make the move a smooth and successful one. An important email was sent to you this morning with more details for this Sunday's bump out. Please make sure this is read prior to arrival on Sunday. [Here is the Indoor Map](#). [Here is the Outdoor Map](#) (Please note the Outdoor Map includes stallholders that will be trading outside only on 31/7 and 28/8)

---

#### TIE OFF YOUR WEIGHTS

Please make sure **ALL** marquee weights are tied onto your marquee, **NOT** just sitting over the feet of the marquee. Marquee weights are ineffective in strong winds if they are not tied down. Failure to tie your weights onto your marquee may lead to serious injury of others and/or the requirement to dismantle your marquee to continue trading. Thanks for your cooperation.

---

#### SHUTTLE BUGGY

Last week to help with the parking changes we offered a shuttle buggy service running people to and from the Leader St and Rose Tce entrances which was a huge success. We will be offering this again this week leaving from the eastern entrance to the market. If you notice any shoppers struggling with their bags, send them down and we will help them out.

#### AND SHE'S OFF

After three years of missing her family in Ireland, our lovely Carol is heading off to the land of potatoes and leaving us for five weeks of fun and sunshine. We will all miss her terribly, but somehow we will muddle our way through and keep things moving until her welcome return before the pop up markets at The Orphanage.
