THANK YOU

BIG shout out and **THANK YOU** to all stallholders that were part of our bump out last Sunday. It's never easy pulling up stumps but you worked like champs and we got it done. Last time there was a fair bit of huffin' n'

puffin' from some stallholders but this time not a huff was heard or a puff seen. So from us to you, a **BIG** thank you.

[THIS WEEKS MARKET](#)

A reminder that at Leader St you are only allocated the space that you currently **PAY** for. Please make sure you check your invoices so you know what size site you are in. Individual site sizes are 3m x 3ms and all your stall produce and equipment is required to be within this space as space is at a premium at this location. The map has had some slight changes and may continue to change right up until Sunday morning so please see Jacqui on arrival to head you in the right direction. Map can be found [HERE](#)

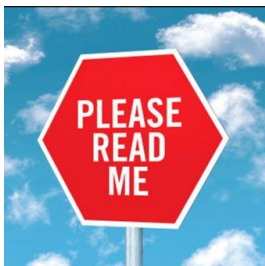

[STALLHOLDER PARKING](#)

All stallholder parking is along Western Boulevard. Unload near the market and then drive behind the Leader St Pavilion and then turn right into the straight of the Western Boulevard and park along either side. Stallholders and their staff are **NOT** to park in Customer Carparks in Leader Two/Three carpark or along the Western Circuit. Refer to map [here](#)

[INSIDE STALLHOLDERS TRADING OUTSIDE THIS WEEKEND](#)

For those inside stallholders trading outside this Sunday, if you weren't clear previously, there will be no access to your fridges or freezers this Sunday. You will need to operate as a 'pop up' stall for 31/7 and 28/8 so trestle tables and portable equipment are the go. Marquees and other items stored in the Pig Pavilion will be able to be accessed.

[PLEASE READ](#)

A reminder to please read **ALL** communication sent to you from ASFM management and communicate the information with your staff members. You would be blown away with how many people had no idea we were bumping out last Sunday nor why. Thanks in advance.

[MEMBERSHIP DISCOUNT](#)

A reminder that you are required to give a genuine 10% discount to members. See rule below. Please remember that membership income is of significant value to the market income and to make sure you physically see a persons membership card. Asking if a person is a member simply isn't enough.

2.2.10. On sighting an ASFM membership card, the Stallholder, or person operating the Stall, must provide to members of ASFM at least a 10% discount off the full-price of products. (Stallholders are required to ask any member to produce their current membership card before applying this discount). The Stallholder must clearly display both the full-price and the discounted members' price for all products sold at the Stall. Product prices should not be increased generally to accommodate member discounts which should be a genuine 10% reduction on normal prices. DISCOUNT NEEDS TO BE APPLIED AS AN ACTUAL DISCOUNT, RATHER THAN A FEW EXTRA PIECES OF STOCK ADDED TO THEIR BAG
