[AGAIN THANK YOU](#)

Last Sunday was cold with the potential of considerable rain ahead of us, not to mention we were bumping into our old location which for some was

for the very first time. But another **BIG** thank you to everyone for just getting on with it all, and presenting a great market that was keenly lapped up by the many visitors. Although we weren't at our recent high levels of attendance we still had a healthy 2300+ customers attend. **Thank you.**

GOODBYE OLD FRIEND

We have enjoyed it's shade and ambience for the last 27 months but sadly, time and age has caught up with our Kingsway tree friend and it is no longer considered safe to be in an area that is so often populated with so many people. Given the serious risk that the tree now imposes, we said our last goodbyes to it this week as we watched the arborists remove it. The RAH is yet to make a decision re its replacement.

TIMES RUNNING OUT

For those inside stallholders that haven't yet bumped in at the time of publishing this newsletter, your time is running out. You will need to text Christine urgently on 0414 843 567 to arrange a time on Saturday 6th (within a particular time frame) or set up from 6am Sunday prior to trade. If you don't have a prearranged time you sadly wont have access to the Pavilion.

FIVE STAR FEEDBACK

We received a message through our facebook this week that we wanted to share with you.

"Hi everyone, I was in Adelaide for 2 days last week, before heading off to the Flinders Rangers. Our stopover was to deliberately attend your market. It didn't disappoint.

The produce was exceptional, everything blew me away. We headed off with a car full of treats and produce to keep our bellies full. Well Done Everyone." *Sharon from Melbourne*

STALLHOLDER PARKING REMINDER

All stallholder parking is along Western Boulevard. Unload near the market and then drive behind the Leader St Pavilion and then turn right into the straight of the Western Boulevard and park along either side. Stallholders and their staff are **NOT** to park in Customer Carparks in Leader Two/Three carpark or along the Western Circuit. Refer to map [here](#)

PLAN AHEAD

With there being no inside markets from the 28th August - 11th September, this is a great time to make sure your marquee used inside the pavilion comes back fully cleaned of dust and debris and ready to make the market look a million dollars. Given the fact that you have plenty

of time to plan ahead there will be no excuse for dirty/dusty marquees being erected for the first market back in on the 18th September.

SAD NEWS TO SHARE

It is with sadness we share the news that market regular and co owner of Fruit Wise, Pam Beal has sadly passed away. Pam was a regular in the Fruit Wise stall holding down the fort and chatting to her regular customers and part of our market family. Her brightness and presence will be missed. Our condolences to her family at this tough time.
