TIME TO GO

SHOW time is here and it's time for us to go, so this Sunday **EVERYTHING**, must be moved offsite without exception by 3pm. This means anything normally stored at the market (currently in the Pig Pavilion) must be moved off site immediately after the market this Sunday, 28th August 2022. There will be a forklift to help you load vehicles and some additional team members to help if needed. Please make sure you plan ahead so there is no delay on Sunday.

THEFT

One of our stallholders had a large sum of money stolen from two tills last Sunday. From observations this appears to have been a well planned operation and not an opportune moment but who knows for sure. No matter how busy you are, make sure your money is well secured and unable to be accessed by the public. Successful thieves may strike again, so please be vigilant. If you see anyone acting suspiciously, please alert an ASFM staff member or security guard.

THANK YOU AND FAREWELL

This Sunday we say farewell to two of the markets favourites, as David and Andrew from Kuhl Kooking cook their last bacon and egg roll and hang up their aprons for the last time at the ASFM. After many years of

providing us with our breakfast staples and the best Chicken & Leak pies and Pork & Fennel Sausage Rolls you could ever have, the pair are stepping away from the hustle and bustle of the market and preparing to slow down a little (yeah right!!) We say a **BIG THANK YOU** for always being here for us and for the endless 5am starts to make sure our breakfast's were ready on time. Don't be strangers guys x

SUN'S SHINING

We are only a few days away from Spring (yay) and at last we have a Sunday ahead where no rain is forecast which means it's most likely going to be another bumper day. It's an **OUTDOOR ONLY** market this Sunday and that also means we will be at capacity with many inside stallies joining us outside as well. Cars that are not normally approved to be with your stall **MUST** be parked along the Western Boulevard, so please don't ask for an exemption as sadly there won't be room. We also ask that you unload your equipment and produce quickly and immediately move your vehicle offsite to allow others easy access. If we all cooperate and are considerate of others, it will be a great start to the day. Check out the map [here](#). Remember, layouts are subject to change at any time so please check in with the ASFM crew on arrival.

STALLHOLDER PARKING REMINDER

All stallholder parking is along Western Boulevard. Unload near the market and then drive behind the Leader St Pavilion and then turn right into the straight of the Western Boulevard and park along either side. Stallholders and their staff are **NOT** to park in Customer Carparks in Leader Two/Three carpark or along the Western Circuit. Refer to map [here](#)

DISCONNECTED

Telstra in the process of trying to fix our phones this week, disconnected us. So if you have been trying to call us and heard **'I'm sorry the number you have called is disconnected'** don't be alarmed, we are still here. While this issue is being fixed, the phones are currently being diverted to the EO's mobile. We are assured that this issue will be rectified as soon as possible as we transition to the NBN.

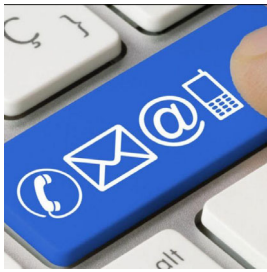

RADIOS

You may have noticed the ASFM team now wearing two way radios, Motorola CLP107's. These radios are the same type of radios that are used in numerous large stores like Officeworks, Bunnings etc. These radios now allow us, as a team to be quicker in our response to situations or requests as we are connected to each other instantly. If you ask one team member something, they can alert the appropriate team member that can assist you.
