# ADELAIDE **SHOWGROUND FARMERS'** MARKET

The Adelaide Showground Farmers' Market is held on the lands of the Kaurna People, and we acknowledge that they continue to be the custodians of the region and pay our respects to their elders, past, present and emerging.

## Mission

"Create a vibrant market environment to connect customers directly to the best South Australian producers".

## **Our Values and Key Message**

"We value quality South Australian produce and having a connection to those who produce it. Passion for food is part of our DNA, and with honesty and integrity we stay focused on the Mission of the market. We don't do politics and we stay professional in our interaction with each other.

We aim to enjoy ourselves, take the time to listen to each other's perspectives and create a safe and friendly working environment for everyone working or visiting the market. We value sustainability for both the market and our environment and keep this front of mind in our work"

# FROM THE CHAIR

"Always come home clutching fresh produce. Every Sunday you already know where it is!!! The farmers market membership is a genius idea because cheaper produce. Good vibes and fresh food. I like it a lot because it also supports local " Ollie Hazey

Dear Members,

It is a great pleasure to be able to share with our members the Chair's report for 2022.

The past year has seen the market continue to operate successfully whilst navigating through fruit fly outbreaks, relocations for other booked showground events and changing Covid restrictions which were relaxed earlier in the financial year and then tightened up toward Christmas as borders opened.

We have continued to enjoy strong support from customers as they choose to shop at the market on Sunday mornings. With COVID restrictions relaxed, and having settled into the Stirling Angas Pavilion we look forward to embarking on initiatives to increase the enjoyment of attendance at the market for both customers and stallholders.

I would like to thank the staff, committee, stallholders and volunteers who run the market as well as members who are all integral to the association's success.

Executive Officer Christine and her staff Carol McGrane - Admin and Finance Officer, Roz Becker - Marketing and Communications Coordinator along with Jacqui Holmes – Market Day Operations Co-ordinator expertly look after all the business and operations activities of the ASFM. As proud employees of the ASFM it is always a pleasure to hear their new ideas.

Thank you to the committee members who volunteer their time to ensure governance and oversight of the association's affairs. This year saw three of our committee members leave the committee. Alex Palin (Chair) moved on to focus on his family, Bob Heath, from Najobe Beef left the committee and market after selling his business. Sabine De Vuono from Just Gluten Free also resigned from the committee so she could devote more time to her expanding business. Thank you to Alex, Bob and Sabine for their contribution to the committee. We wish them all well in their future endeavours.

The ASFM committee welcomed Trish Simpson from Murphy's Crossing Free Range Eggs to the committee as she filled a vacant position mid 2022. Gay Wallace has agreed to continue on the Committee as legal specialist, and I have agreed to continue as finance specialist.

Key to the success of the Sunday markets is the work performed by our volunteer crew. Our generous volunteers are key to the smooth running of the Sunday markets. We thank each of them for their effort and time.

A recent highlight for the ASFM was receiving the Harvey Norman Award for the Most Outstanding Farmers' Market in Australia which was presented to EO Christine Robertson recently in Sydney.

During the year, we were able to embark on a number of projects with more to come in the current year. Bicycle racks are now in place, a CRM system has been embedded so as to streamline membership administration. Activities on market days included Halloween, Elves on Shelves along with a Mothers' Day competition and Easter Hunt.

During the coming year we look forward to further improving the ambience of the market and enhancing the shopping experience.

Thank you for your ongoing support.

hall Dickson

Lynne Dickson Deputy Chair

# THE YEAR IN REVIEW

"Went here for the first time last week and even though the weather was terrible, we still had a blast and managed to stock up on all the fresh goodies for the week!" **Matthieu Filippini** 

Looking back on the 2021/22 year, it's encouraging to see just how much we achieved despite the continuing challenges of the pandemic.

As the new financial year started, Covid again swung into full gear reaching Level 5 restrictions at end **July**. Despite the uncertainty of what was happening, the ASFM's planned three bin system came into fruition with our new easily understood bin trolleys in support of our recycling/composting policy.

**August** saw facemasks become mandatory inside the pavilion to keep in line with the updated Covid restrictions. Sadly the increasing impact of Covid saw the announcement of the cancellation of The Royal Adelaide Show, just after we had bumped back into the Leader St location to allow for the Show build. So back to the Stirling Angas location we went to ride out the pandemic. As it turned out we had other things to also manage including Fruit Fly restrictions. We also sadly farewelled Chair, Alex Palin from our committee due to work and family committments.

Great plans were in place for our pop up markets at The Orphanage during the Royal Show bump out in **September** but these too were cancelled. Despite the changing environment, customer numbers continued to remain constant and we were pleased to be able to reintroduce kids activities on a weekly basis.

One of the great highlights of **October** was our successful Halloween Day with over 280 children participating in our Trick or Treat Trail, a great initiative by our newly appointed Marketing guru, Roz Becker.

We hit the ground running in early **November**. Our 'Win a Clax Trolley' membership drive was going gangbusters and we announced a 50% saving for stallholders with a site discount for the Christmas Twilight market. Then, excitingly, we were the winner of the 2021 Premiers' Food and Beverage Industry Awards in the Service Provider Category (up to 15 FTE). Then the International Borders opened. We welcomed Mem Ericson as newly appointed Chair of the ASFM Committee. In **December**, customers became cautious as uncertainty around state border closures over Christmas became apparent and attendance numbers fluctuated. Our Western Gate closed and the entrance was moved to a new Northern Gate near our recently installed information stand. Our Elves on the Shelves and 'Photo op with Santa' events were very successful and we rolled out a great 12 Days till Twilight themed Christmas campaign that brought in significant customer numbers in the weeks leading up to Christmas. An announcement by SA Government 2 hours prior to the Twilight Market opening highlighting a significant increase in COVID-19 numbers and more hospitalisations did however have a sudden impact on customer numbers.

The opening of the Covid Vaccination Clinic in **January** inspired the RAHS to allow free parking in the Rose Tce carpark, and in **February** we also announced a rebate to stallholders of \$15 per site until end June to help with the impact of Covid.

**March** brought with it an increase of COVID-19 cases in SA that started to impact both stallholder numbers and attendances. The month also was the kick off of our 'Shop Like A Locavore' radio campaign on Nova919, 5AA and Fresh FM. At the end of March, our Executive Officer, Christine Robertson was proudly awarded the honour of being named 2022 South Australian Citizen of the Year.

Our customer count began to climb again in **April** as our 'Shop Like A Locavore' radio campaign went into full swing and our Easter Trail was a 'Sell Out' with 300 participants. We also welcomed Trish Simpson from Murphys Crossing Free Range Eggs to our ASFM committee to fill a casual vacancy.

Our Market Mums enjoyed a great day at the market for Mothers Days in **May** with 2,900 entries in our in our Market Mum's Day "Shop and Win" promotion. This was supported by 45 stallholders donating prizes to the 5 massive prize hampers. May also came with a successful outcome to our grant application from the City of Unley to build an outdoor portable demo kitchen.

To finish the year, the market gained a lot of positive attention in **June** when supermarket chains delivered significant price hikes to consumers where as the market prices remained steady. We bid farewell to Sabine De Vuono from our committee as her successful business rapidly grew and we sadly said goodbye to long term stallholders Salad Greens and Kitchen Herbs.

Over the 12 months we also warmly welcomed another 10 new stallholders, Lovely Valley Truffles, Domain Day, OMGhee, Nourished Naturally, Never Never Distilling, Buff Love, Opa Alfajores, Kimchi Club, Gentleman Jerky and Lowan Park Produce.

\*\*\*April 2019 figure increases to 87 if Easter Sunday market excluded (50 sites included)
\*\*April 2018 figure increases to 91.5 if Easter Sunday market excluded (40 stalls attended)
\*\*\*\*Dec 2020 figure increases to 102.8 if Twilight market excluded (45 stalls attended)
\*\*\*\*\*April 2021 figure increases to 93.7 if Easter Sunday market excluded (56 stalls attended)
\*\*\*\*\*\* Dec 2021 figure decreases due to Twilight Market and no Boxing Day
\*\*\*\*\*\* April 2022 increase to 89.66 if Easter excluded (58 Stalls attended)

The average number of stall sites in 2021/22 was on par with 2020/21 with stallholder site numbers staying steady.

### Customers

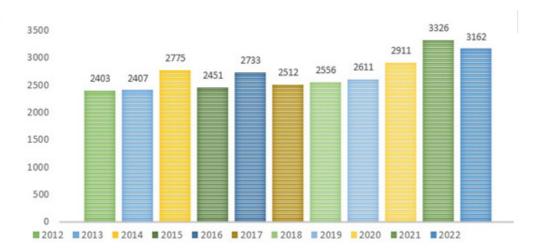

Customer counts are taken within the market hourly at 9am, 10am, 11am and 12noon. In 2021/22 there were 131,110 customers over 52 markets, where as in 2020/21 financial year there was a total of 120,442 recorded visitors at 52 markets. The customer numbers in 2021/22 equated to 2521 per week, an increase of 205 customers per week on 2020/21.

# STATISTICS

- At the end of June 2022 there had been 2996 memberships purchased for the 2022 membership year compared to 2993 for the 2021 membership year as of end June 2021. This equates to an increase of 3 memberships.
- The number of memberships sold during the 2021/22 financial year decreased with a total of 3,162, the second highest number of memberships ever sold in a financial year since the market started in 2006.
- The number of memberships sold in the 2022 membership year increased to 3160, 6 greater than the previous membership year and the highest amount of memberships ever sold in a membership year since the market's inception in 2006.

# **COOKING FRESH**

Our thanks goes to the The City Of Unley who awarded the market with a \$4000 grant in the 2021/22 year.

The grant is to support the development of our 'Cooking Fresh' program for the build of a Mobile Market Kitchen. The kitchen will enable us to undertake culinary demonstrations year-round and provide nutritional education at various locations throughout the market with invited guests and our local stallholders.

Due to COVID-19 we ceased running demonstrations and sampling at our indoor space due to restrictions on numbers and to ensure COVID Management compliance. This ever-changing environment enabled us to reflect on how we could better achieve our aim around further educating our market goers via "Cooking Fresh" demonstrations throughout the venue both outdoors and indoors.

Figures reveal South Australians are heavier than ever, with obesity rates at an all-time high. A balanced diet is important for good health and extensive research shows that eating fruits and vegetables every day can lower your risk of diabetes, heart disease and some cancers.

Nutrition education is key to improving eating habits among adults and children. Research shows that preparing foods at home contributes to healthier eating habits. Nutrition education can increase fruit and vegetable intake and help build healthy eating skills. The Adelaide Showground Farmers' Market sells high-quality local produce, making it the ideal location for nutrition and culinary education. Those that observe and engage in the demonstrations will build a higher confidence in the preparation of a diverse range of meals at home using fresh farm produce sourced at the market and have more of a positive attitude towards eating and enjoying them.

# FROM THE EXECUTIVE **OFFICER**

and lots undercover, great family outing for a Sunday

Sean Hayes

Another market year is done and dusted.

Despite its challenges with the Covid pandemic still looming over our heads during the year, it's been a good year for the market.

Market membership remained high, finishing with 3162 valued members. Visitation climbed back to much higher than pre Covid numbers averaging between 3000 and 3,500 every week. The market managed to take out an honour at the prestigious 2021 South Australian Premier's Food and Beverage Industry Awards for the Service Provider Award <15FTE, an award we are very proud to have achieved.

While larger supermarkets struggled with rising fresh fruit and vegetable prices, the size of our stallholder operations meant that their costs remained comparatively steady and they were able to continue selling the freshest of produce at consistently competitive prices bringing many new happy customers to the market

When sales of 2022 membership commenced, we hit the ground running with a CLAX Cart giveaway promotion leading to a strong opening of 2022 membership sales. Happening at the same time, our promotion of the 'Halloween at the Market Day' resulted in 3110 attendees at the market with over 230 completing the Trick or Treat Trail and 129 participating in the Kids' Corner Halloween activity.

When the borders opened on 23 November 2021, the market had to navigate a whole new wave of Covid uncertainty which had a considerable impact on shopper numbers on Sunday 28/11. This was across the board in retail in SA and evident in a downturn in sales of approximately 20% reported by many stalls. There also continued to be less people spending extended

time inside the pavilion and 'browse' shopping.

The daily reporting of case numbers by the media created nervousness and fear amongst South Australian consumers and impacted consumer confidence making them extremely cautious about going out. The government encouraged people to stay and work at home in the lead up to Christmas and New Year Eve, as well as introducing new restrictions on numbers in the lead up to New Year's Eve celebrations. This all impacted pre Christmas sales, a time when the market would normally thrive.

Towards the end of January we started to see a rebound in consumer confidence and improved market attendances. The market attendance in late January 2022 was back to where it was in January 2021 which was certainly promising.

As the roller coaster year continued, attendance numbers again fell in March with a high increase in Covid cases hitting SA throughout the month, despite an increase in active engagement with the market on social media and Google. It had increased however from the trend in November, December and January when the borders opened and Omicron first hit.

The first two weeks of April then skyrocketed with over 3,500 at each market. April started with higher numbers than there had been in April since 2017. With the requirement to wear masks lifted we were able once again to allow seating, eating and drinking within the pavilion, which was a pleasant return to some normality.

The Adelaide population was mobile with the continued easing of restrictions, borders staying open and international travel increasing. Consumer confidence remained high and face to face shopping

was celebrated. This was reflected with an increase in the April in April 2021 and 2354 in April 2020.

average weekly market attendance of 3215, compared to 2445 The commitment of the committee over the past year has been a great asset to the market, encouraging the team to drive the market forward during these challenging times and I thank them for their ongoing support and confidence in us. We continued to see an increase in market attendances and a growth on the previous two years' figures. This continual The market continues to gain momentum with attendances growth was attributed to an increase in marketing and steadily growing and many stallholders reporting anecdotally promotional activities delivered by ASFM, as well as a recovery record sales and some even "selling out" regularly. Several in the local economy following a challenging period due to external economic factors may have some future impact on COVID-19 restrictions. the market and will need to be closely monitored.

Their music fills the pavilion and is a welcome sound on a busy Sunday morning.

Volunteers continue to play an important role in the delivery of the market despite a significant reduction in volunteer numbers over the pandemic period. Their presence at the Christine Robertson market each Sunday is a welcome sight and we are eternally grateful for their time and commitment to our team and the October 2022 market. I take this opportunity to acknowledge their value and thank them for their commitment to the market. They truly are an integral part of our market family.

I acknowledge the support and commitment of the Royal Agricultural and Horticultural Society and the Showground again this year. Their partnership during these turbulent times has been immensely appreciated and we look forward to continuing this strong bond well into the future. I also acknowledge the support of our corporate partners, Hood Sweeney, Austbrokers Terrace and Freerange Future for their valuable support during the past year.

Adut

**Executive Officer ASFM** 

# TREASURERS REPORT

By Lynne Dickson Treasurer

## For the year ended 30 June 2022

The Adelaide Showground Farmers' Market financial year ended June 30, 2022 recorded a net surplus of \$57,684. This follows a net surplus of \$172,646, in the previous financial year.

### Revenue

Total Income for the year, as June 30, 2022 was \$811,741 being \$43,369 above prior year income of \$768,372. Car park revenue was up \$10,366 and membership income up \$5,172 on prior year. These increases resulted from a membership price increase.

Site rental income was up \$23,610 or 5.2 % as stallholders returned post COVID restrictions being eased, and in conjunction with new stallholders joining the market. The increase was offset by a rebate back to stallholders of \$24,118 as recognised in Cost of Goods Sold

### Expenditure

Cost of Goods Sold increased from \$54,950 in 2021 to \$85,790 in 2022, an increase of \$31,300 or 56%.

This was primarily as a result of the aforementioned rebates being passed back to stallholders at \$24,118. Event expenditure increased \$8,481 due to the number of volunteer COVID marshals available decreasing, making it was necessary to use paid security.

Operating expenses were \$669,360 up \$70,837 on prior year.

Notable areas of increase were;

- Advertising and Marketing up \$21,896 to \$61,149 as we increased the level of advertising back to pre-covid levels.

- Employee entitlements up \$14,249 to \$19,122 as a provision for long service leave is required as a staff member has reached seven years of service. - Site License Fee increased \$51,100 to \$170,100 in line with the license agreement with the Royal Adelaide Horticultural Society.

- Equipment hire & expenses up \$8,368 to \$15,743 through increase of forklift hire and fork driver costs, purchase of two-way radios and hire of storage pods.

A notable area of cost decrease was wages and salaries down \$32,041 to \$249,414 through increased use of contract staff, and hence the benefit of a variable cost. The prior year also included payout for a staff member.

The Adelaide Showgrounds Farmers' Market continues to be committed to strong financial management. The importance of cost control and focus on efficiencies as well ensuring cash reserves are available to cover any unforeseen circumstance or period of closure.

Cash and cash equivalent reserves increased by \$112,133 to \$535,310.

Macquarie Equities with SPDR 200 fund ETF Units fell 8.8% from \$108,464 to \$95,136.

#### **INDEPENDENT AUDITOR'S REPORT** TO THE MEMBERS OF ADELAIDE SHOWGROUND FARMERS MARKET INCORPORATED

#### Opinion

We have audited the financial report of Adelaide Showground Farmers Market Incorporated (the Entity), which comprises the assets and liabilities statement as at 30 June 2022, the income statement and notes to the financial statements, including a summary of significant accounting policies and statement by the committee of management.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of the Entity as at 30 June 2022, and of its financial performance for the year then ended in accordance with the Associations Incorporation Act 1985.

#### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Adelaide Showground Farmers Market Incorporated to meet the requirements of the Associations Incorporation Act 1985. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

#### Responsibilities of Management and Those Charged with Governance for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

Accru Harris Orchard ABN 89 109 628 864 is an autonomous and separately accountable member of Accru and CPA Associates International Inc Liability limited by a scheme approved under Professional Standards Legislation.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- + Identify and assess the risks of material misstatement of the financial report, whether due to fraud material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- effectiveness of the Entity's internal control.
- estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, as a going concern.
- a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting

based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue

Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in
