### [ATMS](#)

Due to the extremely low use of the ATM's over the last two years and the prohibitive cost of running them with low use, the RAH are no longer providing ATM facilities outside of the two permanent ATMs at the southern entry to the Duncan Gallery (entry via the Atrium running east/west). Please direct customers to these permanent atms. We are unable to provide cash out at the Info stand.

### [MARQUEE WEIGHTS](#)

Marquee weights (20kg) must be secured to all legs of your erected marquees prior to the rest of the stall set up. If this has **NOT** been completed on inspection by the Market Day Coordinator, you will be required to stop trading until the weights have been added and secured. It is a requirement of **ALL** outside stallholders to follow the rules for reasons of safety. A stallholder deciding it isn't going to be windy that day, does not negate you from this requirement.

### [WILL YOU BE CHRISTMAS & NEW YEAR TRADING?](#)

We now need to know if you will be trading on the dates of Saturday 24th December and Saturday 31st December (Please note we are closed on

Sundays 25th December and 1st January). We want to make these market days successful so the more stalls that can attend given the length of notice given, the better. If you haven't already done so, please let us know **NOW** by completing this survey [HERE](#)
