STALLHOLDER EQUIPMENT

If you are an outside stallholder **NOT** trading on Saturday 31 December and regularly store equipment in the Stirling Angus Pavilion between markets, you will need to move your equipment into the Dairy Hall after trade this Sunday. Unfortunately the ASFM team will not be able to move it for you.

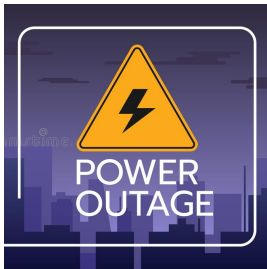

MARKET LAYOUT

As we have quite a few stallholders away, we have adapted our outdoor site plan to give our market a smaller footprint, allowing shoppers to do their shopping quickly and with ease and to remove the feeling of emptiness that a large open space can have. This means your stall this Saturday may be in a different position from your normal location and we ask you to make sure you are aware of your location from the [MAP](#) prior to setting up in the adjusted position this Saturday. The adjusted locations will still make it easy for customers to find you when they head towards your usual location. We also ask for your cooperation in this matter as we do understand that change isn't always comfortable but it is necessary for the next two weeks. Please make sure if someone else is setting up for you, that they are aware of the new layout for this Saturday.

STALLHOLDER CARPARK PASSES

All stallholders have been sent an email Wednesday 14 December asking for information for your allocated stallholder carparks. Each stallholder is required to complete the survey for each staff member that requires a car park pass. Car park passes are non transferrable and will be aligned with a cars registration number. If you haven't completed the information survey, you can access it via the QR code pictured or head to <https://www.surveymonkey.com/r/BVN5PSM> Please send the code onto each staff member that requires a carpark pass so they can complete it.

REMINDER SCHEDULED POWER OUTAGE

Thursday 29th of December 2022, the Showground will be completing the High Voltage works in 1 full day, but this will require the site to be fully isolated on this day. On this day the Adelaide Showground is expecting power to be out for approximately 9hrs (7am – 4pm). Please make sure all fridges and freezers inside the pavilion are emptied at close of this weeks market 24 December 2022.
