[MARKET LAYOUT](#)

Once again we have adjusted the layout to take into account the number of stallholders we have this Saturday. This means your stall this Saturday may be in a different position from your normal location and we ask you to make sure you are aware of your location from the [MAP](#) prior to setting up in the adjusted position this Saturday. We ask for your cooperation in this matter as we do understand that change isn't always comfortable but it is necessary for the next two weeks. Please make sure if someone else is setting up for you, that they are aware of the new layout for this Saturday.
