## STALLHOLDER VEHICLES

Please remember that all stallholder and staff vehicles **MUST** enter via the Leader St entrance and park **ONLY** in the stallholder carpark on the southern side of the market or along the Western Boulevard (not in front of doors). Rose Terrace entrance and carpark is for **CUSTOMERS ONLY**

## AUDITS

A reminder that only approved products are allowed to be sold at your stall in the market. We are currently conducting stallholder property audits and will also be doing spot audits at stalls in the market. If we find a product that isn't approved it will need to be removed instantly from your stall. It's **NOT** ok to bring something to sell that you have an abundance of on a tree in your back yard, unless its been approved for sale. It's also **NOT** ok to bring something that a friend has too much even if you would like to help them.

### USE YOUR CAR PARK PASS

New parking pass scanners are now in place. Scan the barcode on your parking pass at the bottom left-hand corner of the scanning machine, as shown in the image on the left. You should scan on entry and exit as normal. You unfortunately will need to get out of your vehicle to scan your pass in some instances as the position of the scanner is quite low. Please **DO NOT** take a ticket, as we will **NOT** be able to validate them as car park passes are issued to provide you entry at no cost.
