EASTER TRADING

If you trade each Sunday or your fortnightly stall is due to trade on Easter Sunday 9 April, then we need to know if you are joining us. Of course we are hoping you'll be there as we have lots of things planned including the attendance of Easter Bunny and our Farmers Market Easter Trail with prizes for the kiddies. Let us know by completing the survey [Easter 2023 Survey](#). Those stalls not scheduled for that Sunday do not need to complete the form.

MARKET ACCESS/DELIVERIES

Market access for deliveries or stall maintenance is available only on Thursdays and Fridays from 10am - 4pm. Please make arrangements with Carol in the office on 8231 8155 if you wish to attend at any time during these days.

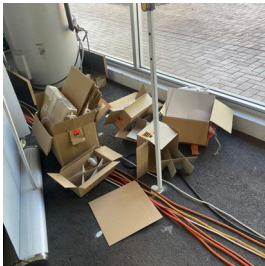

MARKET LOCK UP

We have noticed that many of you are remaining within the market area, well after pack up time. Our lease agreement with the RAH requires us to have all stallholders vacate the area immediately following market trading time. As such we ask you to move your vehicles and equipment from the grounds as quickly as possible and vacate the pavilion so we can shut the gates and go about locking up within a suitable time frame. We thank you for your understanding.

STALLHOLDER ARRIVAL AND SET UP

It is a requirement of our rules that all stallholders must be set up and ready to trade by no later than 8.15am. We understand that occasionally something goes wrong and you get delayed but there are a number of stallholders arriving late every week. Driving through the market after 8.15am is dangerous and could cause serious harm. Vehicle gates will be closed at 8.15am. If you arrive after this time you will not be able to bring your vehicle into the market.

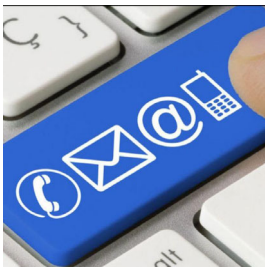

STALLHOLDER RUBBISH

Just a quick reminder that **ALL** stallholder rubbish needs to be taken off site to be disposed of by the stallholder. Please do not leave rubbish in or around your stall at the end of a market. **TAKE IT WITH YOU.** Inside stallholders, please remember that people can see through the windows and rubbish thrown behind your stall is in view to everyone.

SHOPLIFTING

Thank you to those stallholders who have helped us identify a person of interest in a shop lifting report. We are watching the situation carefully and again had another member report the same person last Sunday. Please be vigilant in watching those shopping with you.
