[MEMBERSHIP DISCOUNT](#)

Discount being given to customers without 2023 card.

Don't assume someone has renewed – if they don't have a current card on them, send them to the Info Stand so we can check their membership and issue them with a day sticker if their membership is current.

Membership fees help to support the running of the market. Do the right thing by the people that have renewed. **2022** Membership is **NO LONGER VALID**

[SHOP LIFTING](#)

Last weekend we were alerted to a person wearing a current membership lanyard and card that was seen by a number of people shoplifting.

Unfortunately we were unable to catch them in the act. This persons modus operandi was to pick up a number of items, walk back to their drag along trolley cart and place the items inside the cart, then go back and do the same thing again and then finally walk off with the trolley, not paying.

Please make sure you are vigilant and if anyone is seen doing this call operations immediately on **0419 105 228**

HALLO AUTUMN

At last Autumn is here. If you are a fresh produce stallholder, let us know what produce is coming in over the next few weeks so we can plan some marketing around it. And YES we DO know what produce comes in Autumn but we want to know what you have and when its most likely to be on sale. Email marketing@adelaidefarmersmarket.com.au The more accurate information we have the more impact we can have with our marketing.

ON TIME PAYMENTS

Some of you are starting to push your stall site fee payments out to past the due date. The fees are based on payments being made on time so overdue payments will incur a late payment fee. Please make sure payments are made by the due date to avoid late payment fees.
