HYGIENE

It has come to our attention that the cleanliness of a number of stalls is less than ideal. It is really important that the front **AND** back of house areas are kept tidy and clean at all times. This means table clothes kept clean, empty boxes removed, prep areas wiped down. Please also make sure inside stalls are left spotless before you leave on Sundays so as to not encourage pests and rodents. You all know the drill so please make sure correct protocols are followed.
